SINGAPORE TRAVEL DESTINATION

City Tour

Singapore is the modern city of South East Asia that has plenty of sightseeing opportunities to fill you with lots of wonders. A multicultural city of hustle & bustle that is famous for business excellence, takes you to indulge in its ethnic, cultural and historical heritage. It's a combination of Eastern and Western style which gives incredible views at the amazing city. It has many attractions like the Marina Bay Sands, Little India, Chinatown, Night safari, Wild life, Water Parks & many more. It takes visitors to the huge, colourful & futuristic park like gardens by the bay which shows the natural beauty in Singapore. The tour also includes visit to Ifly Singapore, Haw Par Villa & Discovery centre that takes you to a unique and thrilling experience. You will also see Singapore Flyer - the biggest spin wheel presenting 360° views of Singapore.

River Safari

River Safari is a themed zoo with aquarium managed by wildlife reserve Singapore. The one and only park that has gained popularity now a days, as its fun & uniqueness can't be found anywhere else. It provides shelter to more than 6000 animals from different species including monkeys, manatees, piranhas, elephants, pandas, fish & more. The park also features of 8 rarely found rivers has a lot to explore that gives a soothing & calm atmosphere to all. The river safari is a ride of 15 minutes that takes 50 passengers at one time ride where you can also enjoy dining at some restaurants. Visitors can enjoy the pleasing sites of the park during their ride. It is divided into 3 parts including the giant panda forest, river adventure & World-wide Amazonia. Another thing about the park is that it gives you a chance to explore the park on foot and never makes you feel bored. Here you would discover the fresh water animals that roam in and around the water parks.

Night Safari

Nightlife is yet another thing that people look out when they plan a holiday trip and Singapore has something unique to offer other than the ordinary nightlife option that people follow. Well, everyone must have been visited a zoo, but the concept of visiting zoo at night is obviously not something you come across everyday. Planning a holiday in Singapore comes with many surprises that you may not have thought of.

Singapore Night Safari Tour is unlike any typical zoo visit and it makes your night extremely happening. Your trip will be accompanied with a never ending clear sky, humidity in the air, and the sound produced by various animals throughout. All the sound, activities and environment make the forest more alive than it is in the day. In the silence of the night, you may not be able to discover the beauty of the trees, but you will

know that how bigger animals prey on the smaller animals and how the natural life cycle takes place. You will cross your ways to the lion and their cubs, tigers, and many wild animals. As the animals hate hunting and playing in the burning heat of the day, the night safari allows you to take the closer view of the wild life as the animals are more active during nights those days.
